La Quinta High School Marching Band Student Sponsorship

Dear _____,

I have recently earned a performing spot in the La Quinta High School Marching Band. The award winning Marching Band consists of students ranging in age from 14 to 18. We all share a passion for music performance and artistic excellence. The Aztecs are among the best in our division qualifying for the Southern California Judging Association Band Championships for many consecutive years.

Being a part of this exciting experience is an once-in-a-lifetime opportunity. My recommended donation to sustain the level of excellence demonstrated by the music program for this school year is about \$300. I am asking for your help with this cost. The student sponsorship program is a way to help contribute to my participation in this great youth activity.

Any amount you can give will help. Simply complete the bottom portion of this letter, detach, and return it to the address listed below. The La Quinta High School Marching Band represents an amazing life-changing experience, and I sincerely appreciate your support and consideration of my request.

Respectfully,

La Quinta High School Student Sponsorship
